CM European Removals is a whole-caring company at your disposal for a fast and well-organized house removal anywhere in the world.

We offer complete thorough services: quotation, all risks insurance, complete disassemblment of your previous house including accurate packing of furniture and reassemble in the new accommodation; if needed we can as well provide a carpentry adjustments. Thanks to a wide range of vehicles (including truck cranes), and professional skill of our team, we are able to solve any problems related with the move offering you the best solution.

40 years of experience at your disposal!

All your valuable, fragile objects, your antique furniture, paintings and carpets, your clothes and household linen deserve to be moved most carefully, each piece in a different way. We take care of any detail providing special packing methods: fragile objects will be placed in appropriate reinforced boxes, any piece of furniture will be accurately packed, clothes and household linen will be stored in special wardrobe boxes.

Furniture storage in boxes with CM Removals, all your belongings are in safes! Leave us the keys: we will take care of everything!

10 HELPFUL TIPS
for a hassle-free removal

Wise people who move:

- 1.** Choose a removal company and not a transportation company;
- 2.** Ask if the personnel is professional;
- 3.** Agree and confirm the removal date at least 15 days prior;
- 4.** Ask for all the content of their furniture to be individually packed;
- 5.** If taking care of the packing themselves, do not use big boxes for fragile objects and books;
- 6.** Mark all boxes with the destination room in the new house;
- 7.** Mark all boxes containing plates and glasses and show them to the removals team;
- 8.** Ask for furniture disassemblment and reassemblment;
- 9.** Call the plumber and the electrician for the new house in advance;
- 10.** Remember to rescind phone, gas and electrical supply contracts and give notice of charge at your residence authority.
